Re: Centrica Vendor Information Form

Dear Supplier,

We have received a request to create (or amend) your company details within our vendor database. Centrica and its subsidiaries operate a set of standards that govern the way vendor data is created, stored and maintained, therefore we require some additional information to support this request. It is our responsibility to protect your data and comply with the values set out in [Our Code](#).

Centrica is committed to prompt and timely payments for all goods and services received. We seek to pay our suppliers within 60 days of receipt of invoices. Furthermore, Centrica has introduced a new standard on purchasing compliance. This standard requires our suppliers only initiate the delivery of goods or services upon receipt of a valid Purchase Order (PO). This "No PO, No Pay" policy is a critical step to ensure an efficient payment process. Therefore, without a valid PO, we will be unable to pay you for your goods and services.

For this request to be processed, you are required to confirm receipt of this communication and comply with the instructions within. Please complete the **Centrica Vendor Information Form** and submit this form along with the required documents to the following point of contact. Once this form is received, your Centrica point of contact will assist you through the process.

Centrica Contact	
Name:	
Email:	
Phone:	

Regarding changes to an existing bank account or point of contact, an independent verifier authorized by Centrica VMVerification@centrica.com will call to validate the requested changes. Please note, to protect your data, the verifier will only provide the last 4 digits of your bank account and you will be required to confirm via email.

Thank You
